Meet Super-star DAVE MANAK

MANAK BT

Dashing Dave was born in Palmerton, Pennsylvania in 1951. He spent his early childhood watching television and eating. This naturally led to an interest in cartooning, filmmaking and acting.

Seeking fame and fortune, Dave moved to New York City in 1971. He found the comic book industry, instead.

His first free-lance assignment was to make art corrections on old comic book stories that were going to be reprinted.

Working for our *Distinguished Competition*, Dave contributed to a comic called *Plop* which featured his first attempts at humor writing and cartooning. Unfortunately, *Plop* plopped.

But, Dave wasn't discouraged. He kept on drawing! Eventually, he met sensational Sergio Aragones (of *Groo* fame) who encouraged him to take his cartoons to *Mad Magazine*.

About this time, Dave also began producing one-page gags for Marvel's own late lamented *Crazy Magazine* (under the name of Kovacs), and movie satires for *Sick Magazine*.

However, it wasn't until the dashing one ran into editor Sid Jacobson that he finally found the fame (but not the fortune!) that he so justly deserves. Writing for such titles as *Top Dog*,

Ewoks, *Heathcliff*, *Droids*, and *Mad Balls*, Dave has become one of *Star Comics*' most popular creators. He was even voted your favorite writer in our first annual *Super-Star Awards* in 1986, and has dreams of winning the same award in 1987.

If you'd like to read some of Dave's writing pick up a copy of *Ewoks* #14 which is on sale this month, and our new *Rocky and Bullwinkle* which will be on sale soon.

By the way, you can write to Dave (and everyone else who works at *Star Comics*) by sending your letters to:

Dave Manak
c/o *Star Comics*
387 Park Avenue South
New York, NY 10016

Next month, I'll introduce you to another one of our super-star talents. Until then...

Thanks for being there!

Dear CARE BEARS,

My name is Dena Jean Rollings. I'm ten years old. I can draw real well, and on the back you will find a picture of Birthday Bear, Cheer Bear, and Grumpy Bear. My favorite Bears are Grumpy, Birthday, Cheer Bear, Tenderheart, Funshine, Friend Bear, and Bedtime.

Dena J. Rollings
Springfield, OR

Nice pics, Dena! (But the best, the Bears all agreed, was the photo of you!)

By the way, is there any CARE BEAR that isn't your favorite? (Not that we're complaining!)

Dear Bear People,

Hey everybody! I loved issue #8! The plot was great, and the art... Howard, Isabella, and Roberta did a great job! You folks are doing a fantastic job! Keep it up!

I wrote before, and you said to send some info on my club. Well, it's called "The Care Bear Pen Pal Club." We have 25 members and are slowly growing. Our newsletter is called "The Affection Connection" and there's a lot of great stuff in it! Membership includes a membership card, a membership certificate, a pen pal list, and a questionnaire to fill out!

My club can take those who are 8 years old and up. Since we do have pen pals, you must be able to read and write efficiently.

For an application, send a self-addressed stamped envelope to:

The Care Bear Pen Pal Club
6391 Center St.
Highland, CA 92346

Membership is free!

Cathy Rivera
Highland, CA

Okay, CARE BEAR fan-atics, here's a club for you! (Just don't forget to write us here at STAR, too!)

Dear STAR Comics,

I love the CARE BEARS. I think they're cute.

My favorite CARE BEARS are Cheer Bear, Tenderheart Bear and Friend Bear.

Can you make an issue about Friend Bear, Tenderheart Bear, and Cheer Bear? I could use one. I have received issues #1, 2, 3, 4, 5, and 6.

To wrap it all up—I hope to become an honorary CARE BEAR!

James Versteig
Ott., Ont.
CANADA

Thanks for caring, James. And we have a solution for you—just take a look at issues #7, 8, and 9! Tenderheart played a starring role in issue #7, "The Saddest Man in the World." Then, Cheer Bear teamed up with Birthday Bear in "The Great Computer Disaster." Plus, Funshine and Cheer Bear both had big parts in issue #8, "The Disappearing Town," and again in #10, "The Creepy, Unsleepy

Mystery." And, you know, we have a sneaking feeling we'll see all three again... and again!

(Wish all our problems were this easy!)

Dear STAR,

I like the CARE BEARS stories. Until recently, I didn't know STAR wrote CARE BEARS stories.

To tell the truth, I'm a big kid at heart. I have seen both the CARE BEARS movies. I watch the CARE BEARS because they help cheer me up, and I like to read their stories.

I'd like to know if there will be a third movie. And can you get a record from "The Care Bears Movie"?

Leonard L. Mitchell
Hopkinsville, KY

If CARE BEARS brighten your life, Leonard, it's fine to be a big kid at heart—or even a small kid! There's no age limit on CARE BEAR caring!

Unfortunately, we're not as sure where you can get a soundtrack from the CARE BEARS movie. Maybe you should check with your local record dealer? And, yes, there will be a new movie—watch for it, soon!

Dear CARE BEAR People,

I am 24 years old, and have been reading and enjoying comic books for 19 years. I have quite a large collection of comics, especially MARVEL titles.

But until you came along, I've had the feeling that something important has been missing. I've never written to a group of comic book creators before, but I feel obliged to write and tell you how pleased and proud I am to see that Marvel and STAR Comics have had the courage, sensitivity, and thoughtfulness to start printing the CARE BEARS comic book. Ever since I first heard of the CARE BEARS, I've thought of them as wonderful role models. They're warm, friendly and totally enjoyable.

I believe the CARE BEARS represent a new kind of hero. Helping people care for one another and showing they're cared for may be a way to solve a lot of the world's problems.

I don't know what sort of input you receive about CARE BEARS. If you've been getting negative feedback, don't let it get you down. You have a lot of fans out here and we all "care-a-lot" about you. Good luck—you have something special with the CARE BEARS! Please keep up the good work!

Mike Silverman
Holliston, MA

P.S. What do you think of my drawing of GRUMPY BEAR?

The Bears liked your drawing, Mike, but Grumpy wanted to know why you left out his umbrella! After all, what if it started to rain?!

Anyway, thanks for the support. Need we say that we agree? Care to comment, anybody else?

Dear STAR,

Is there any way of ordering issues #1, 2, and 3 of CARE BEARS? We were in Germany, and unaware of this comic when it first came out, but would like the entire set. Please let me know what I need to order them.

Crystal Hill
Yelm, WA

There are ways to order back issues, but sorry to say, none of them involves STAR or Marvel. Your best bet would be to consult a comics specialty shop. If that doesn't solve anything, try contacting one of the companies that specialize in selling back issues. Many of these companies advertise, so look through the ads of different comic books until you find one.

Dear STAR,

I like your comics a lot. Actually, I read only one of your comics, "The Mystery of the Disappearing Town" (issue #8). I really liked it. I just wonder if that comic could be changed and made into "The Mystery of the Disappearing Unicorn." My favorite CARE BEAR is Baby Tugs. My favorite CARE BEAR Cousin is Swift Heart Rabbit.

Heather Campbell
Fairbanks, Alaska

Your first issue, Heather?!? Boy, do you have a treat in store! We suggest you try MADBALLS, MUPPET BABIES, POPPLES, and HEATHCLIFF next. We think you'll be very happy with them all!

We're afraid, though, it's awfully inconvenient to change an issue after it's already reached your bookshelf. But (as you'll see when you read lots more STAR Comics), we do love to hear from readers—and we use suggestions. It's the best way to give you the stories you want! (So maybe we'll hear from you again? Hope so!)
